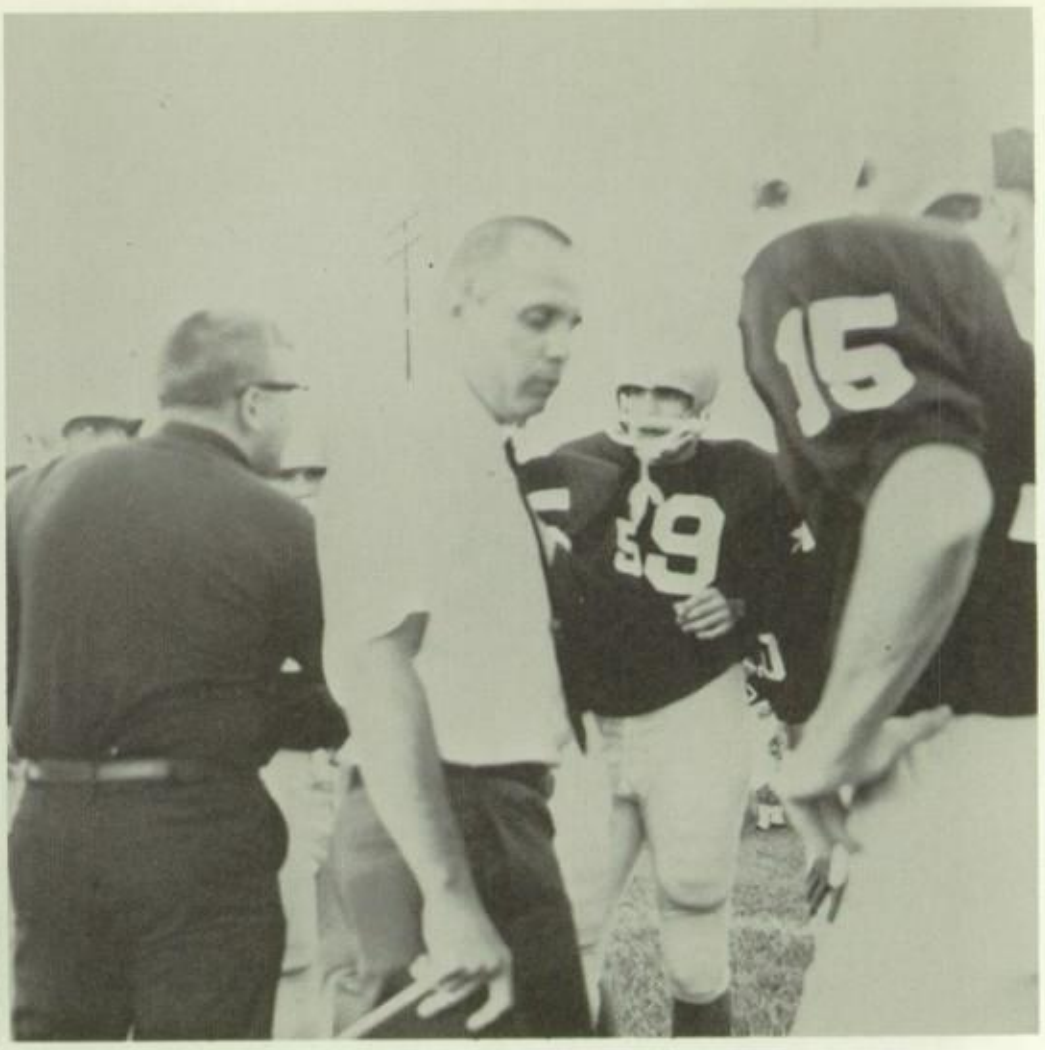
Life at Doss

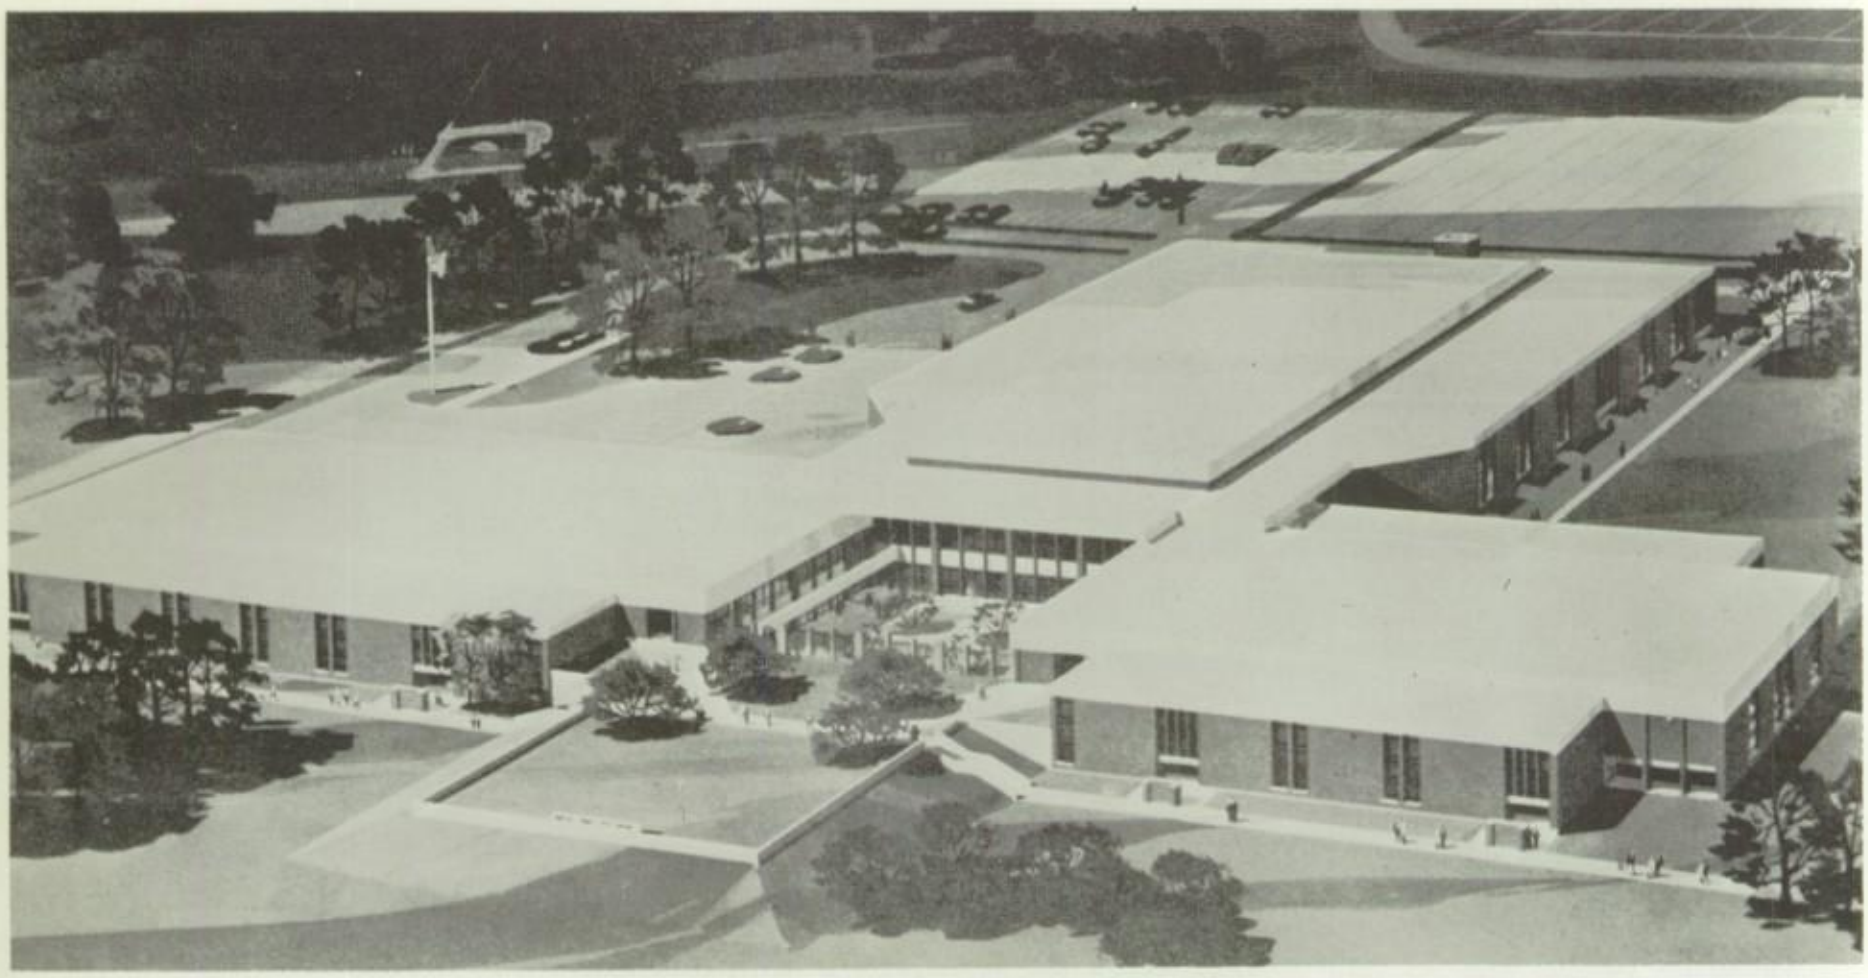
Here is life, life at Doss. It's the life of students in 1969. In September 1967 a new building was put into use. The name: DOSS HIGH SCHOOL. The freshmen were leaders then. Now we look up to the sophomores. We find students facing unpredictable "happenings". Students are in the halls, classrooms, lunchrooms, everywhere. They're all going their separate ways. The teachers, counselors, and principal guide them. They help mold the students into worthwhile individuals.

When the students are grouped together, in the gym or elsewhere, they unite. This is called the STUDENT BODY. Students' emotions are often aroused. Sometimes they develop feelings of happiness, excitement, or sadness. Students demonstrate these feelings. They use their own methods of trying to find themselves.

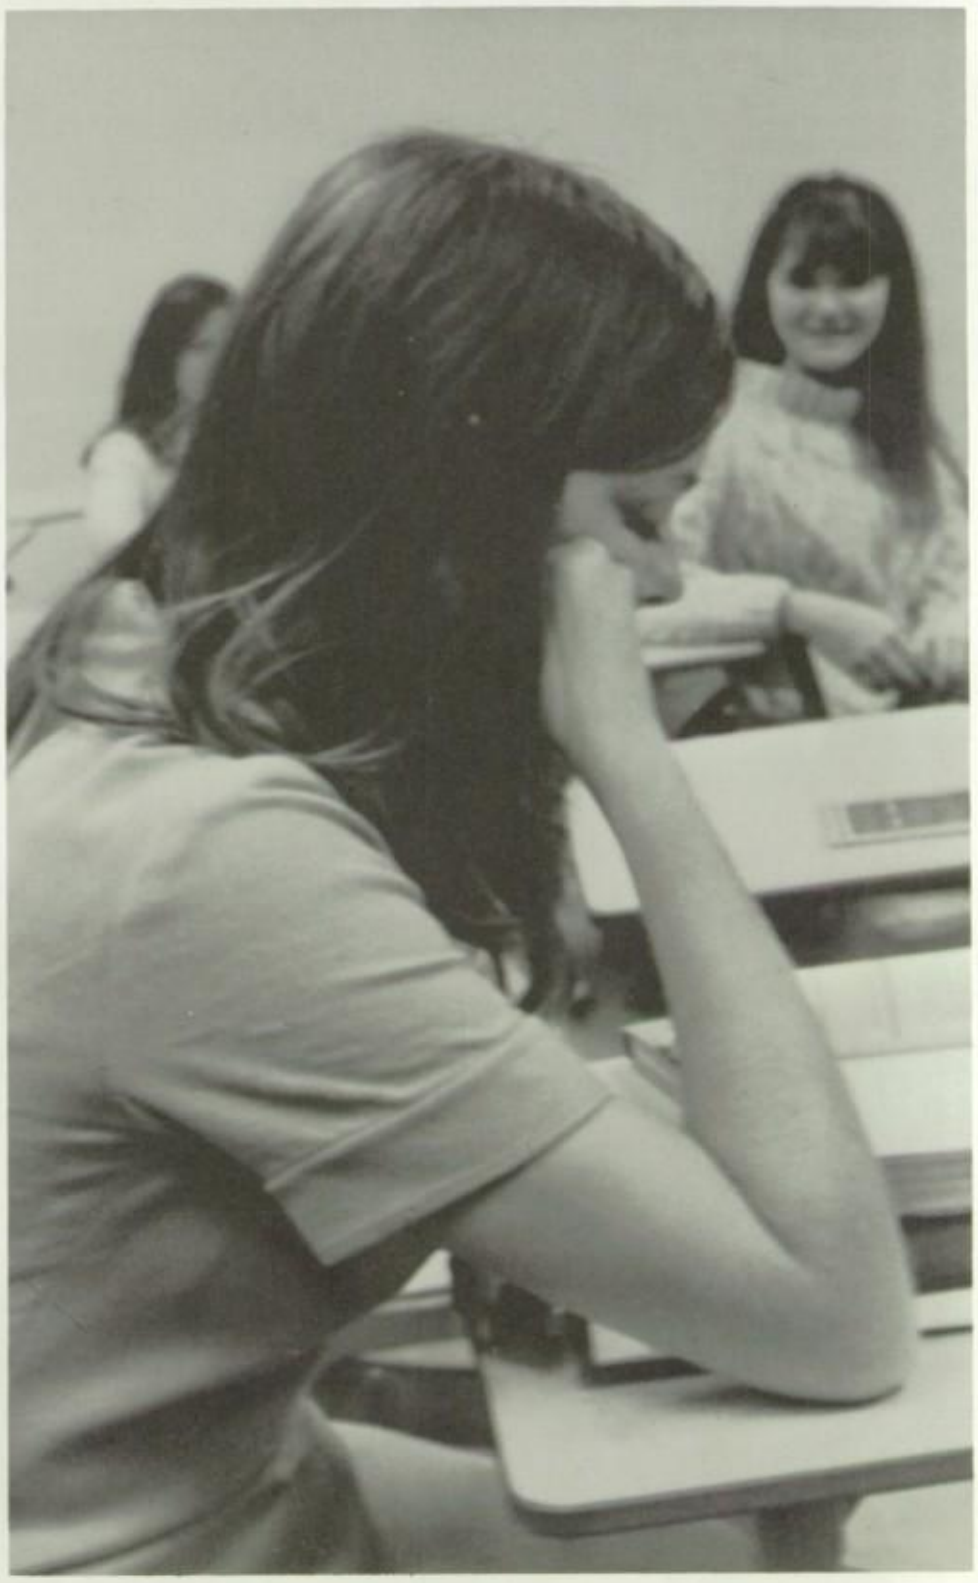


SPIRIT! Boys try out for sports, trying to make our team Number 1. Students and cheerleaders cheer. PEP RALLIES, SHOUT! The boys participating in the games are our heroes. "VICTORY", we yell to our fullest. DEFEAT, we know the team has tried its best. COMPETITION makes the game.

INVOLVEMENT with other students, working with projects, and striving for goals develop achievement - thus causing betterment of our school. Some must be leaders, others followers.



Looking into the future, keeping memories of the past, making memories of the present - all are in one's mind.



A taste of responsibility is acquired by everyone. The student finds in himself a little happiness, a little sadness ...

... understanding, misunderstanding, joy and depression. Individuals are made up of these emotions - and individuals make up LIFE AT DOSS.

In Memory of Lillian Deerr

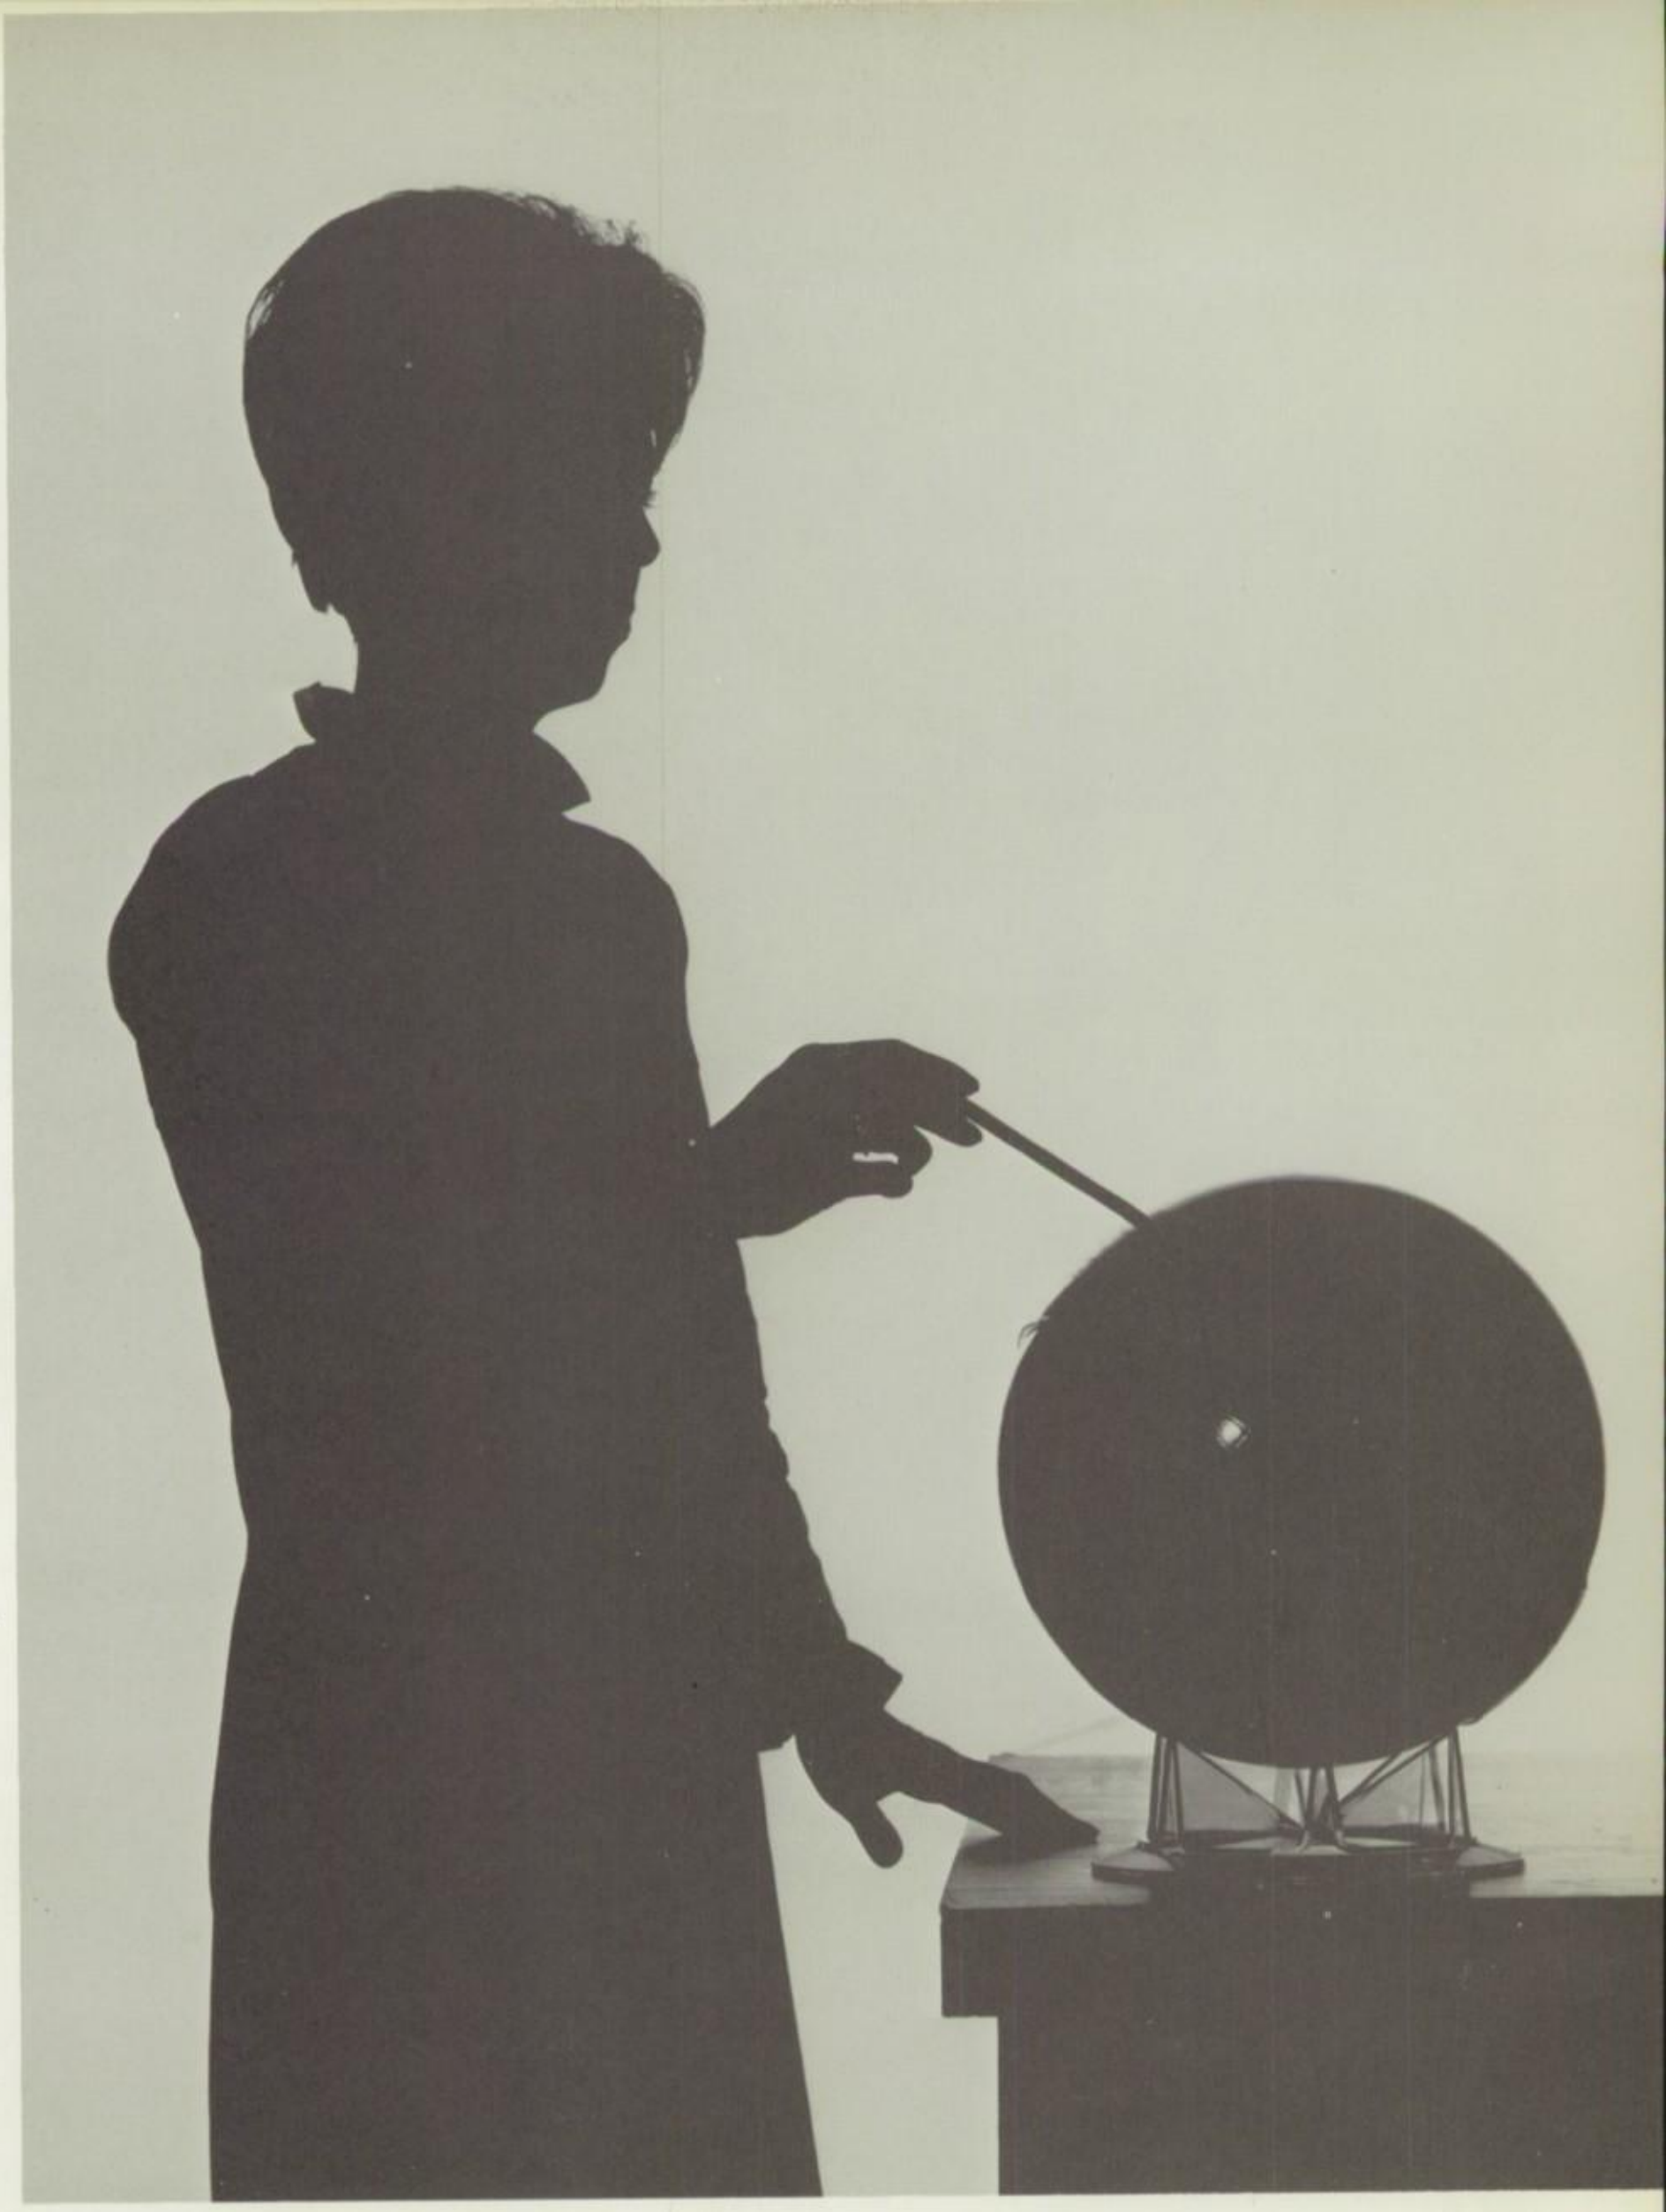
This year the Doss annual staff dedicates the yearbook to a woman who gave much of her life to the development of better schools in this area: Mrs. Lillian Deerr.

Mrs. Deerr began her career with the Jefferson County Board of Education in 1951. After working at Auburndale and Kenwood Elementary Schools she came to Doss.

One of her main interests was her church. Mrs. Deerr was a very sincere Christian and her way of life set an example of true living to all the people at Doss who knew and loved her.

For these reasons we on the annual staff feel it fitting and worthwhile that this, the '69 Myth, should be dedicated to her memory.

As a long-lasting tribute to her the people at Doss dedicated the upper courtyard to the memory of Mrs. Deerr.



FACULTY

JOHN S. PITTENGER

Principal

Now that the unequalled spirit and enthusiasm of the first year at Doss High School has become history, we face the task of maintaining and increasing these beginnings in order to realize the greatness that should be ours. A sound foundation has been established but we must realize that much needs to be done to build Doss High School into a truly outstanding educational institution. The next two years will come and go, and the first Doss graduates will depart. Success will result from a combined effort of students, parents and school staff as we will be judged on the kind of person we produce. The students in these first few years will share in the thrill of having a major role in pointing in the direction that others will follow.

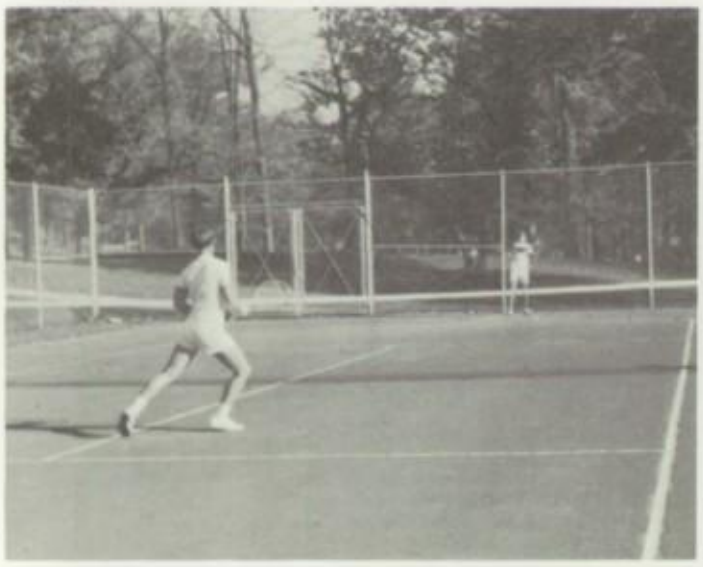
Coach Hudson, F. Bovinet, D. Campbell, C. McClelland, D. Rich, A. Miller, M. Gude, R. Shelton, L. Creech.

Robin Shelton and Mike Gude practiced together.



The 1968 Boys' Tennis Team, despite being at a disadvantage because of their youth, made a very creditable showing against tough competition, winning three out of six matches and exhibiting fine plays always. Twice they were the master of Western, and they defeated the Fairdale varsity team.

The Girls' Tennis Team was not as fortunate, winning two out of five matches, but it also showed strong play against Pleasure Ridge. Sharron Ryan defeated PRP's top player, who was a senior. As the years pass, the quality of both teams should improve, and we should one day send a pair of very fine teams into tennis court competition!

K. Harris, C. Boone, S. Ryan, P. Allen, Mrs. Pierce, D. Skelley, D. Yost, K. Kice, L. Winters, S. Smith.

The Girls' Tennis Team confers.

Coach Lawson and Guy Thompson

1968

Golf Team

In its first year of competition, the Doss Golf Team had a winning season against older opponents. Guy Thompson, the team's most consistent low scorer, should give, along with his teammates an even better performance in the 1969 season. Other team members expected to play a significant role in the next season are Ricky Chaney, Ricky Scott, David Mitchell, and Carl Lillpop. Coach Lawson expects a very fine team for springtime competition.

R. Scott, R. Brown, T. McNeese, M. Thornsberry, R. Chaney, C. Lillpop, D. Mitchell.
